## HAPPY AND NOISY TIME LAST NIGHT

GREENVILLE CELEBRATED THE  
ADVENT OF PEACE IN HILARIOUS MOOD.

Tuesday was set as the time for the celebration of peace and the victory over the Huns. Perhaps no person now living will ever see an occasion for a similar celebration, as the world will be so changed that such a war will never be waged again.

Early in the morning the sound of whistles and fireworks was begun and continued until midnight. At 11:55 in the morning a crowd of perhaps 2,000 marched to the Katy depot to welcome Jack Beall, the first of our Greenville boys to return from the battle front. The procession was headed by the Greenville Band to do honor to the returning fighter. The procession then marched down Lee street to the square where where rousing talks were made by Rev. Graham McMurray, Rev. M. L. Hamilton and Judge Gates. The rest of the day was spent in riding and walking around and generally enjoying themselves by the crowd.

Last night as soon as it was dark the fun began on Lee street, and the populace was deafened by the noise of crackers, Roman candles, rockets and autos with all sorts of noise-producing affairs, all parading up and down the streets and around the square, each trying to outdo all the others. Fireworks were set off in great quantities and it reminded old-timers of the Christmas nights of several years ago, before the city dads clamped the lid down fast and tight on such doings. The noise and fireworks made such a realistic representation of the battle of the Marne that it seemed dangerous to "go over the top" on the street. This amusement was kept up until nearly midnight, when sweet peace and quiet settled down on the town.

On the square in the afternoon there was a salute fired with anvils of six guns, in honor of the following: First gun, for President Wilson; second for General John J. Pershing; third for Field Marshal Foch; fourth for Marshal Haig; fifth for our boys, over there; and sixth gun for the mothers and fathers of the boys.

**IN THE SCHOOLS.**  
Patriotic exercises were held in all the schools of the city in the afternoon and consisted of patriotic songs and talks. At the High School Judge L. L. Bowman and Dr. T. O. Perrin made talks that were said to be splendid; in the Central School Walworth Harrison and Lieutenant George Long were the spellbinders; in the South School Judge L. A. Clark made a speech; in the North School Rev. McMurray spoke, and in the West School Judge A. B. Hall was the orator of the day. At the close of the speeches in all the schools War Work cards were passed to the children for them to help in the campaign. In the South School Mrs. F. M. Kemp and John Lawless passed the cards.

The children in all the schools were delighted with the celebrations and thoroughly enjoyed the day.

### MEAT CAUSE OF KIDNEY TROUBLE

Take a Glass of Salts if Your Back Hurts or Bladder Bothers—  
Meat Forms Uric Acid.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges, the urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids to cleanse the kidneys and flush off the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; can not injure, and makes a delightful effervescent lithia-water drink.
